AUGMENTED REALITY SUPPORT

AUGMENTED REALITY SUPPORT

Thanks to the Augmented Reality Support system, the CAMS™ after-sales service has never been so close.

Get in touch with the CAMS™ specialized technicians directly from your smartphone with a mobile-app and get all the necessary support as if they were next to you.

GPS POSITIONING

CAMS™ machines are equipped with GPS to visualize the location of your machines from any device.

REMOTE PERFORMANCE CONTROL

- Productivity report
- Online database
- Hours of work
- Remote functions
- Alarms
